

## **Shipping Instructions**

### **FROZEN** Right Hemisphere

Freeze the right cerebral and the right cerebellar hemispheres and store at  $-70^{\circ}\text{C}$ . Please ship within one week.

The frozen hemisphere should be shipped on dry ice

- Place the frozen tissue into “Bag1” and seal
- Place “Bag1” into “Bag 2” and seal
- Place “Bag 2” into the orange Biohazard bag #3 and place into Styrofoam container and cover with dry ice.

Call FedEx to schedule a pickup, using the enclosed pre-addressed FedEx shipping form and send Priority Overnight.

**Please do NOT ship on Fridays, Saturdays or Holidays.**

**Please notify NCRAD staff before shipment:  
800-526-2839 or page: 317-312-2714**
